SPORTS TEAM RENTALS

We recognize that sports team activities can
become competitive. As a “family friendly”
environment we will not tolerate foul
language, fighting, intentional harm or
roughhousing at The Landing.

Any team that wants to rent our field or
gymnasium needs to supply Impact with a
copy of their organization's liability insurance,
listing Impact as the additionally insured, and
a signed waiver for each teammate and coach
who will be participating. This is required
prior to the first rental date or the team will
not be allowed to use the rented space.

We will allow sports reservations to reserve
past our three-month calendar to
accommodate their season schedule.
However, Impact Christian Church reserves
the right to notify the renting organization of
its need for the rented space at any time. The
Landing will try to give no less than one week's
notice to the representative of the
organization.

***A deposit of half of the total cost is due prior
to the first rental date. The remaining balance
will be due before your last scheduled rental.***
